**RESPONSE TO  
NOTICE OF NON-COMPLIANT AMENDMENT**

Examiner Bareford:

This is in response to a Notice of Non-Compliant Amendment mailed on June 16, 2005.

The notice states that the amendments to the specification filed on April 6, 2005 (received April 14, 2005) needs marking to show where changes are to be made.

**REMARKS**

This response provides the proper markings to show where changes were made to the specification. Clean versions of these paragraphs were previously submitted with the prior response.

The paragraph at page 3 lines 20-25 has been amended as follows:
